Josh,

We served a Subpoena on Charles Taylor on August 11, 2023 with a return date of August 21, 2023. Mr. Taylor has failed to respond in any way. Mr. Taylor is listed on the NAACP's privilege log. Do you or any other counsel for the Plaintiffs represent Mr. Taylor in connection with the Subpoena served on him?

You previously confirmed that you were not representing Senator Simmons or Representative Johnson. Unless you tell me otherwise, I am going to operate on that previous representation. Thank you.
